Financial Reporting Requirements for Subrecipients

For funds subject to the federal reporting requirements in place AFTER December 26, 2014

I. General Requirements

A. No Financial Reporting Requirements for Professionals Contracting in an Individual Capacity

There are no Federal, State, or DWS financial reporting requirements for individuals such as doctors, dentists, social workers, and other similar professionals contracting in an individual capacity to provide services to clients. Therefore, the financial reporting requirements discussed herein are not applicable to professionals contracting as individuals. (Note: Sole proprietors and limited liability companies, owned by either one person or by a husband and wife, are considered individuals for reporting requirement purposes. However, individuals associated with corporations, partnerships, or other contracting organizations are not individuals for reporting requirement purposes.) Notwithstanding the lack of financial reporting requirements for individuals, Subrecipients providing services in an individual capacity are still subject to financial review by DWS and/or other government entities.

B. No Financial Reporting Requirements for Contracting Organizations Receiving Less Than \$25,000 From DWS in a Single Fiscal Year

Contracting organizations that receive less than \$25,000 from DWS in a single fiscal year have no financial reporting requirement to DWS unless specifically required by DWS. However, they are still subject to financial review by DWS.

C. Compliance with Applicable Financial Laws

The Subrecipient shall comply with all applicable federal and state laws regarding financial reports. The Subrecipient shall comply with all applicable requirements set forth in: 1) 2 CFR 200 Subpart F, *Audit Requirements* published by the federal government; and 2) the *State of Utah Compliance Audit Guide* (SCAG), issued by the State Auditor's Office. Federal, State, and DWS Financial Reporting Requirements are listed below as a reference guide to the various financial reporting requirements. The information is not exhaustive and the Subrecipient understands that it is obligated to seek independent legal and/or accounting advice. Links to the applicable federal and state financial reporting requirements are in Table 1, *Federal, State, and DWS Financial Reporting Requirements*, below.

D. Additional Financial Reporting Requirements for DWS Grants

In addition to the financial reporting requirement set forth in 2 CFR 200 Subpart F, “Audit Requirements” and the SCAG, this Grant requires the Grantee to submit various financial reports to DWS, as set forth below in a separate column in *Table 2: Federal, State and DWS Auditing Requirements*.

E. The Entity Type, Amount, and Source of Government Funds Determines the Type of Financial Report Required

Whether or not a Subrecipient is required to obtain and submit an annual audit or other financial reports is determined by the Subrecipients’s entity type, the amount, and source of government funds that the Subrecipient expends during a given year.

Based on the SCAG, DWS requires all Subrecipients, except sole proprietorships, to submit an audit prepared according to government auditing standards whenever the Grantee has \$350,000 or more in total revenues **and** 50% or more of those revenues come from government agencies (federal, state, county, and/or local, etc.).

Unaudited reports may be required of Grantees with total revenues under \$350,000.00 (see *Table 2: Federal, State and DWS Auditing Requirements*).

If GRANTEE is a non-profit organization, GRANTEE is required to comply with Utah Code: 51-2a-201.5: Accounting reports required – Reporting to state auditor. Not later than May 31st of each year, the Non Profit GRANTEE will disclose to DWS, in writing, whether: (i) the nonprofit corporation met or exceeded the dollar amounts listed in Utah Code: 51-2a-201.5, Subsection (2) in the previous fiscal year of the nonprofit corporation; and whether (ii) the nonprofit corporation anticipates meeting or exceeding the dollar amounts listed in Utah Code: 51-2a-201.5, Subsection (2) in the fiscal year the money is disbursed.
