

# YOU may be eligible

If you are:

- unemployed through no fault of your own
- able to work full-time, and
- available for and actively seeking full-time work

then you may be eligible for Unemployment Insurance, one of the most important benefits available to you at this critical time. This insurance pays a weekly benefit to eligible workers. Benefits are funded by quarterly contributions paid by employers. It is not welfare, Social Security, or a disability payment. The intent is to pay benefits to eligible claimants during times of unemployment when suitable work is not available.
